Mary Ann

Good morning, I noticed in your October 19th, 2020 agenda there was an RFQ interview finalist ranking that will be coming out for architectural services. Can you tell me when this list will be presented or when the final meeting minutes will be uploaded? I'm looking to see if you can provide me the names of the architectural firms who potentially will be short listed. Fredrick Quinn Corporation (FQC) is a construction management firm. As a construction management service firm, FQC provides conceptual estimating and early planning preconstruction support for your facility planning needs. I know you are in the early stages in your process but having a professional construction manager, like FQC, work in partnership with you and your team provides a high degree of reliability in planning, facility operations, budget control and schedule needs. Please keep us in mind as you move further along in your process. Thank you in advance for your assistance in this request. I look forward to hearing from you.

Thank you,
