The form must be submitted no later than April 1st for consideration for the following school year. Please note that submitting a form does not guarantee early entrance into kindergarten. Parents will be contacted by a D47 staff member upon completing the online form and a screening for their child consisting of academic, as well as social-emotional components will be scheduled in April for the following school year. Requests made after the April 1st deadline will not be considered. **Please note: Parents of students who are not yet 5 years of age will not be allowed to register their child during the February kindergarten registration.** Registration may be scheduled upon completion of the screening process and when a final determination has been made.
